# Summer Pleasures

ADD COLOR, GOLD, FINE TEA TIME TREATS AND RELAXATION WORKSHOPS TO THE SEASON'S MUST-HAVE LIST

Gold is the medium and nature is the message for couture jeweler **David Lee Holland**. A second-generation jeweler and designer, Holland works in solid 18-karat gold, and his wearable works of art — a luxurious oak branch and pearl brooch, a dramatic laurel leaf necklace, exquisite orchid and acorn cufflinks — are each handmade, and often embellished with natural color black Tahitian cultured pearls and vivid natural color diamonds. His elegant new Soho gallery is literally a garden of golden delights. 69 Sullivan Street (between Spring and Broome), 212.925.1944, [www.davidleeholland.com](http://www.davidleeholland.com)
